Geriatrics/Index to volume 33/January 1978 through December 1978

SUBJECT INDEX

A

Abdomen
  disease, chest pain and, 95 (Jan)
Accidents
  prevention, programs of Consumer Product Safety Commission, 18 (July)
Adrenals
  tumor or hyperplasia as cause of hypertension, 77 (Jan)
Age
  perception, erroneous, by physicians, results of Veterans Administration survey, 88 (May)
Aging
  definition, measurement, 108 (June)
  medical aspects, introduction to new series, 25 (Dec)
Anemia
  diet for, 54 (June)
  hemolytic autoimmune, complicating leukemia, 71 (Apr)
Anesthesia
  nerve block, for pain relief, 49 (Apr)
Antibiotics
  side effects in elderly, 83 (Feb)
Arteries
  hardening: See Atherosclerosis
Arthritis
  osteoarthritis research by National Institute for Arthritis, Metabolism and Digestive Diseases, 27 (Apr)
Atherosclerosis
  metabolism, lipoprotein and, 93 (July)
  nutrition and, 42 (Feb)
  risk factors, role of dietary components, 35 (May)
Autonomic nervous system
  dysfunction evaluation, 83 (Apr)

B

Back
  disorders, five common, treatment, 32 (Dec)
  pain, low, treatment, 61 (Oct)
Behavior: See Psychiatry
Bladder: See also Urinary tract
  fistula, colovesical, management, 86 (Oct)
  infections, definition and treatment, 71 (Mar)
  instability, differential diagnosis of urinary incontinence, 36 (Apr)
Bleeding
  excessive, in leukemia, 53 (Mar)
Blood: See also Anemia, Leukemia, Polycythemia vera
  constituents, changes in, as a cause of stroke, 51 (Jan)
  erythrocytosis, smoking and, 63 (May)
  hyperlipidemia, nutrition and, 42 (Feb)
Blood pressure: See Hypertension, Hypotension
Boils: See Skin infections
Bone
  osteoporosis, diet for, 49 (June)
  osteoporosis, importance of mineral nutrition, 39 (Aug)
  osteoporosis, pathogenesis of bone loss, 67 (Nov)
  osteoporosis, research by National Institute of Arthritis, Metabolism and Digestive Diseases, 27 (Apr)
Brain: See also Central nervous system, Stroke
  damage, rehabilitation of stroke patients, 87 (July)
  disorders, organic, office-based screening tests, 86 (Nov)
  electroencephalography, role in evaluating central nervous system dysfunction, 59 (Feb)
  hemmorrhage, intracerebral, diagnosis and treatment, 42 (May)
  lesions, headache and, 82 (May)
  lesions, tomographic diagnosis, 37 (Mar)

C

Cancer
  control, relation to cell regeneration and aging process, 112 (Jan)
  genital, in menopausal women, 89 (Mar); 24 (Aug)
  manifestations, connective tissue disease and, 26 (Sept)
  mycosis fungoides and, recognition and treatment, 55 (Nov)
  myeloma, plasma cell (multiple), diagnosis and management, 53 (July)
  prostate, alternative to radical surgery, 53 (Aug)
  skin, effect of sunlight, aging, 33 (Aug)
  vitamin C therapy, research results, 92 (Oct)
Cardiovascular system: See also Atherosclerosis, Heart
  disease, vitamin C therapy, research results, 94 (Oct)
Care: See Home care, Medical care
Cataract
  diabetes and, 33 (Nov)
  management, 57 (Dec)
Cell
  division and aging, 81 (Aug)
Cellulitis: See Skin infections
Central nervous system: See also Brain, Spinal cord disorders, iatrogenic: affect, convulsions and encephalopathies, 59 (Aug): drug-related dysfunctions, 47 (Sept)

Cigarettes: See Smoking
Colds
  vitamin C therapy, 91 (Oct)
Colon
  fistula, colovesical, management, 86 (Oct)
Colostomy
  management, 45 (Nov)
Coma
  myxedema, diagnosis and treatment, 61 (Mar)
Commission on Civil Rights: See Government and geriatrics
Communication
  techniques in treatment of elderly, 79 (Nov)
Connective tissue
  disease, cancer and, 26 (Sept)
Consciousness
  loss, classification and evaluation of syncope, 103 (Feb)
Consumer Product Safety Commission
  programs for elderly, 18 (July)
Crime
  vulnerability, data from Law Enforcement Assistance Administration, 93 (Aug)

D

Depression: See Psychiatry
Dermatology: See Skin
Diabetes mellitus
  complications, four ocular, treatment, 33 (Nov)
  complications, neurologic, management, 45 (Dec)
  diet and, reevaluation of carbohydrate restriction, 99 (May)
  impotence and, sex counseling for patients, 65 (July)
  maturity-onset, diet for, 49 (June)
Dialysis
  response to, in elderly, 56 (Sept)
Diet: See Nutrition
Dizziness: See Dysequilibrium
Drugs
  lung disease induced by, 64 (Jan)
  relation to neurologic disorders, affect, convulsions and encephalopathies, 59 (Aug)
Dysequilibrium
  evaluation, 87 (Jan)

E

Ear
  hearing loss, diagnosis, 95 (Feb)
Ecthyma: See Skin infections
Education
  value, therapeutic, for institutionalized patients, 100 (Apr)
Electroencephalography
  evaluation of central nervous system dysfunction, 59 (Feb)
Emphysema: See Lung changes, Lung elasticity
Erysipelas: See Skin infections
Erythrocytosis: See Blood
Estrogen
  deficiency, treatment, 35 (Sept)
Exercise
  heart attack prevention and, positive and negative studies, 95 (Nov)
Eye
  care, geriatric, introduction to new series, 33 (July)
  cataract, management, 57 (Dec)
  disease, four complications of diabetes, 33 (Nov)
  disorders, external, management, by primary care physician, 43 (July)

glaucoma, office tests, indications for referral, 31 (Oct)
neuropathy, optic ischemic, diagnosis and treatment, 68 (Aug)

F

Fallopian tubes
changes in menopausal women, 24 (Aug)
Family counseling
importance in care of elderly, 118 (Feb)
roles of children, physician in home care of elderly, 99 (June)
Federal Council on Aging: See Government and geriatrics
Fistula
colovesical, management, 86 (Oct)
Folliculitis: See Skin infections
"Frail elderly": See Government and geriatrics

G

Gastrointestinal tract
maldigestion and malabsorption, evaluation, 73 (July)
General Accounting Office: See Government and geriatrics
Genitalia
female: See Gynecology
Glaucoma
diabetes and, 33 (Nov)
tests, office, indications for referral, 31 (Oct)
Government and geriatrics
allocations for elderly in US budget, 14 (May)
Consumer Product Safety Commission, programs for elderly, 18 (July)
crimes against elderly, data from Law Enforcement Assistance Administration, 93 (Aug)
"frail elderly," recommendations for, by Federal Council on Aging, 16 (Feb)
home health care, proposed legislation, 27 (May)
laboratory standards, new rules from Department of Health, Education, and Welfare, 13 (May)
longevity research by National Institute on Aging, 88 (Aug)
National Institute of Arthritis, Metabolism and Digestive Diseases, research projects, 27 (Apr)
nutrition guidelines from National Institute on Aging, 120 (Sept)
nutrition services, recommendations by Senate Committee on Aging, 15 (June)
program assessment by General Accounting Office and Commission on Civil Rights, 15 (Mar)
retirement, problems regarding, report by General Accounting Office, 15 (July)
retirement trends, effect on allocation of resources, 100 (Oct)
SCORE program funded by Small Business Administration, 21 (Mar)
Social Security changes, provisions for long-term financing, 15 (Jan)
Social Security, proposed tax reforms, 14 (Apr)
social services, fragmentation, 21 (Jan)
Veterans Administration, geriatric medicine and, 25 (Feb)
Gynecology
problem incidence in geriatric patients, 89 (Mar)
problems of menopausal women, changes in genital tissue, 24 (Aug); treatment of estrogen deficiency, 35 (Sept); changes in extragenital tissues and sexuality, 51 (Oct)

H

Headache
evaluation and treatment, 82 (May)
Health
definition, measurement, 108 (June)
Health care
home-based vs institutional, assessment by General Accounting Office and Commission on Civil Rights, 15 (Mar)
home-based vs institutional, proposed legislation, 27 (May)
Health, Education, and Welfare Department: See Government and geriatrics
Hearing: See Ear
Heart
disease, chest pain and, 95 (Jan)
disease, coronary, exercise as preventive, positive and negative studies, 95 (Nov)
disease, coronary, lipoprotein metabolism and, 93 (July)
disease, nutrition and, 42 (Feb)
disease, sex counseling for patients, 65 (July)
disease, stroke and, 71 (Sept)
disease, syncope and, 103 (Feb)
disease, vitamin C therapy, research results, 91 (Oct)
failure, hyperthyroidism and, 77 (Feb)
infarction, myocardial, stress testing and, 25 (Oct)
Hemorrhoids
treatment, nonsurgical, 43 (Oct)
Herpes zoster
chest pain and, 95 (Jan)
Home care
roles of family and physician, 99 (June)
Hospitals
transfer forms, errors in, as iatrogenic problem, 92 (Mar)
Hyperlipidemia: See Blood
Hypertension
brain hemorrhage and, 42 (May)
causes, role of adrenal mineralocorticoids, 77 (Jan)
headache and, 82 (May)
low-renin, causes, incidence, effect of age and sex, 80 (Mar)
sex counseling for patients, 65 (July)
sodium restriction for, 49 (June)
stroke and, 71 (Sept)
systolic, control as stroke preventive, 25 (Nov)
Hyperthyroidism: See Thyroid
Hypnosis
pain relief with, 87 (June)
Hypotension
orthostatic, in dysfunction of autonomic nervous system, 83 (Apr)
Hypothyroidism: See Thyroid
Hysterectomy
incidence in geriatric patients, 60 years or older, 89 (Mar)

I

Immunology
anemia, autoimmune hemolytic, complicating leukemia, 71 (Apr)
factors influencing use of antimicrobials, 83 (Feb)
pneumonia, infectious, management in immunologically compromised patient, 68 (Feb)
Impetigo: See Skin infections
Infection
therapy, factors influencing use of antimicrobial agents, 83 (Feb)
Intestines
stoma management, 45 (Nov)
Itching: See Pruritus

K

Kidney: See also Urinary tract
disease, chronic, sex counseling for patients, 65 (July)
failure, dialysis response in elderly, 56 (Sept)
infections, definition and treatment, 71 (Mar)

L

Laboratories
clinical, new HEW standards for quality control and proficiency requirements, 13 (May)
Leukemia
complications, autoimmune hemolytic anemia, 71 (Apr)
complications, hemostatic, 53 (Mar)
dysplasia, hemopoietic, preleukemic syndrome, 40 (Jan)
introduction to new series, 39 (Jan)
nonlymphocytic, treatment, 50 (Feb)
relationship to polycythemia vera, 61 (May)
Longevity
research by National Institute on aging, 88 (Aug)
temperature, body, life span and, 109 (Sept)
Lung
changes due to aging, 68 (June)
disease, chest pain and, 95 (Jan)
disease, chronic, sex counseling for patients, 65 (July)
disease, drug-induced, 64 (Jan)
elasticity loss, effect of aging, 124 (Feb)
function decline, effect of aging, environment, 100 (Mar)
pneumonia, infectious, management in immunologically compromised patient, 68 (Feb)

M

Malabsorption, maldigestion: See Gastrointestinal tract
Malnutrition: See Nutrition
Medical care
adequacy criteria for housebound and bedridden patients, 103 (Jan)
Menopause
changes in extragenital tissues and sexuality, 51 (Oct)
changes in genital tissue, 25 (Aug)
estrogen deficiency and, treatment, 35 (Sept)
Mind
gymnasium for, stimulation as preventive of senility, 97 (Apr)
Mouth
disease, malnutrition and, 49 (June)
Muscle

reconditioning in aged, 93 (June)
strength testing in diagnosis of weakness, 79 (June)
Mycosis fungoides
recognition and treatment, 55 (Nov)
Myeloma
plasma-cell (multiple), diagnosis and management, 53 (July)
Myocardial infarction: See Heart
Myxedema
diagnosis and treatment of myxedema and myxedema coma, 61 (Mar)

N

National Institute of Arthritis, Metabolism and Digestive Diseases: See Government and geriatrics
Neglect
evidence in housebound and bedridden patients, 103 (Jan)
Nerve block: See Anesthesia
Nervous system: See also Autonomic nervous system, Central nervous system
manifestations of diabetes, 45 (Dec)
Nursing homes
transfer forms from hospitals as iatrogenic problem, 92 (Mar)
Nutrition
counseling needs in elderly, results of survey, 59 (Apr)
dietary allowances, recommended, for elderly, 73 (May)
effect on mass hyperlipidemia and atherosclerosis, 42 (Feb)
fat utilization, defective, in maldigestion, malabsorption, 73 (July)
guidelines, 49 (June)
guidelines from National Institute on Aging, 120 (Sept)
introduction to new series, 41 (Feb)
longevity and, effects of experimental dietary manipulation, 102 (Apr)
mineral, importance in osteoporosis, 39 (Aug)
risk factors in atherosclerosis, 35 (May)
services, recommendations by Senate Committee on Aging, 15 (June)
"social," relation to well-being, 49 (Mar)

O

Obesity
diet modification for, 49 (June)
Ophthalmology: See Eye
Optic: See Eye
Osteoarthritis: See Arthritis
Osteoporosis: See Bone
Ovary
changes in menopausal women, 24 (Aug)

P

Pain
back, low, five common disorders, treatment, 32 (Dec)
back, low, treatment, 61 (Oct)
chest, differential diagnosis, 95 (Jan)
chronic, evaluation and management, 59 (Jan)
relief, hypnosis for, 87 (June)
relief, nerve blocks for, 49 (Apr)
Pneumonia: See Lung
Polycythemia vera
diagnosis, treatment, relationship to leukemia, 61 (May)
Prostate
cancer, alternative to radical surgery, 53 (Aug)
hyperplasia, benign, research by National Institute of Arthritis, Metabolism and Digestive Diseases, 27 (Apr)
hypertrophy benign, transurethral incision for, 58 (June)
resection, transurethral, selection of patients, 55 (May)
Pruritus
causes and management, 47 (July)
Psychiatry
behavior, disturbed, causes, 26 (Dec)
communication techniques in treatment of elderly, 79 (Nov)
depression, headache and, 82 (May)
family counseling, importance in care of elderly, 118 (Feb)
pain, chronic, evaluation and management, 59 (Jan)
support, social, relation to well-being, 49 (Mar)
tests, office-based, for organic brain disorders, 86 (Nov)

R

Radiology
tomography, computerized, in diagnosis of intracerebral hemorrhage, 42 (May)
tomography, computerized, in identification of neurologic problems, 37 (Mar)
Rehabilitation
mental, education-therapy program, 100 (Apr)
stroke, 87 (July)
Research
cancer control, relation to cell regeneration and aging process, 112 (Jan)
cell division and aging, 81 (Aug)
diabetes, reevaluation of dietary treatment, 99 (May)
exercise as heart attack preventive, positive and negative studies, 95 (Nov)
lipoprotein metabolism and atherosclerosis, 93 (July)
longevity, effects of experimental dietary manipulation, 102 (Apr)
lung elasticity loss, effect of aging, 124 (Feb)
lung function decline, effect of aging, environment, 100 (Mar)
measurement of human health and aging, 108 (June)
temperature, body, life span and, 109 (Sept)
vitamin C therapy, effect on colds, cancer, cardiovascular disease, 91 (Oct)
Respiratory system
structure and function, effect of aging, 68 (June)
Retirement
problems, report by General Accounting Office, 15 (July)
SCORE (Service Corps of Retired Executives), program funded by Small Business Administration, 21 (Mar)
Rheumatology: See also Arthritis, Bone, Connective tissue
introduction to new series, 25 (Sept)
Ringworm: See Skin infections

S

Senility
prevention, gymnasium for the mind, 97 (Apr)
Sex
counseling for chronically disabled, 65 (July)
Skin
cancer, effect of sunlight, aging, 33 (Aug)
infections, bacterial and fungal, identification and treatment, 71 (Oct)
mycosis fungoides, recognition and treatment, 55 (Nov)
pruritus, causes and management, 47 (July)
tumors, identification and treatment, 37 (June)
Smoking
cigarette, effect on elderly, three-state statistical study, 96 (Sept)
erythrocytosis and, 63 (May)
Social Security: See Government and geriatrics
Spinal cord
injury, sex counseling for patients, 65 (July)
Spine
disease, chest pain and, 95 (Jan)
Steatorrhea
evaluation, 73 (July)
Stomas
intestinal, management, 45 (Nov)
Stress testing
value in postmyocardial infarction, 25 (Oct)
Stroke
causes, uncommon, changes in blood constituents and hemodynamic factors, 51 (Jan)
prevention, treatment of systolic hypertension, 25 (Nov)
rehabilitation, problems and solutions, 87 (July)
risk, relation to cardiac impairment and hypertension, 71 (Sept)
Syncope
classification and evaluation, 103 (Feb)

T

Temperature
body, life span and, 109 (Sept)
Tests
office-based, for organic brain disorders, 86 (Nov)
Thyroid
disease, signs and symptoms in elderly, 42 (Apr)
hyperthyroidism, diagnosis and management, 77 (Feb)
hypothyroidism, diagnosis and treatment of myxedema and myxedema coma, 61 (Mar)
Tinea: See Skin infections
Tomography
computerized, in diagnosis of intracerebral hemorrhage, 42 (May)
computerized, in identification of neurologic problems, 37 (Mar)
Transfer forms
errors in, as iatrogenic problem, 92 (Mar)
Tumors: See Cancer

U

Urinary tract
infections, diagnosis and treatment, 71 (Mar); 87 (Sept)
problems in geriatric patient, introduction to new series, 35 (Apr)
Urine

incontinence, differential diagnosis, 36 (Apr)
Uterus
changes in menopausal women, 24 (Aug)

V

Vagina
changes in menopausal women, 24 (Aug)
Vertigo: See Dysequilibrium
Veterans Administration: See Government and geriatrics
Viewpoint: See Government and geriatrics
Vitamin C
therapy, effect on colds, cancer, cardiovascular disease, 91 (Oct)
Vulva
changes in menopausal women, 24 (Aug)

W

Weakness
diagnosis, 79 (June)
